Washington State Board of Health

RE: **NATIONAL SURVEY OF STATE BOARDS OF HEALTH**

The Washington State Board of Health (WSBOH) has conducted a nationwide survey to assess the number and types of state boards of health in other states. This draft report describes the results of that study.

We would like to share this information with you. We welcome you to review this draft report and send us your comments.. Please submit your comments to us in writing or by email no later than **August 23, 2003** in order for us to finalize this report.
